## Events for Whole Schools

### ● **Matter on the provision of free genuine Microsoft Office (School Circular No. 1 (24-25))**

Our school is keen on promoting moral practices and encouraging students to use genuine software. Therefore, our school has signed Microsoft 365 user licence agreement. All the students can use their Microsoft 365 account to download and install the latest copy of Microsoft 365 (including Word, Excel, PowerPoint and OneNote) on no more than five computers or mobile devices.

 Password: <School domain password>

Please see the attachment for the procedure on downloading and activating Microsoft 365.

For enquiries, please contact our Vice-principal, Mr. Tsui Ka Wai.

### ● **Promotion Standards (School Circular No. 2 (24-25))**

The following are the promotion standards for each form:

Promotion	Standards

For students who cannot meet the above standards, the school may consider the students' academic results, discipline committee's comments, the number of students and the combination of subjects in deciding the promotion. For students who are diagnosed (by a social worker and EDB's representatives) to have learning difficulties, special arrangements will be considered on a case-by-case basis.

For enquiries, please contact our Vice-principal, Mr. Tsui Ka Wai and Vice-principal, Mr. Fok Kin Shing.

### ● **Guidelines for Choosing Extra-curricular Activities (School Circular No. 3 (24-25))**

Extra-curricular activities (ECA) play a vital role in whole-person education. Students will be able to communicate with peers and learn about interpersonal relationships. Moreover, through involvement in planning, designing and promoting ECA, students are able to build up their confidence, responsibility and leadership skills. For these benefits, students are required to attend at least one ECA.

The current school houses/ clubs / societies / teams / groups are listed as follows. Students may enroll up to two of them.

Academic	Uniform / Service	Interests	Arts	Sports
*Chinese Culture Society	#Scouts	Applied Science and Technology Club	Folk Dance Club	Athletic Team

If the student has to attend more than one activity on the same school day, he/she should opt for the activity of higher priority according to the following table:

Priority	Details / nature of the activity
First	1. Inter-school competitions (e.g. Joint-school Athletic Meet, Inter-school Public Speaking competition, Inter-school music contest, Inter-school dancing competition etc.) 2. Paid-activities at school, musical instrumental classes

<b>Rainstorm Warning Signal</b>	<b>Action to be taken</b>
<b>AMBER</b>	<ul style="list-style-type: none"> <li>● Unless the EDB has made a special announcement on the suspension of classes, the school operates as usual.</li> </ul>

Students should stay at home if parents have considered the weather or traffic conditions are not suitable for attending classes. Discretion will be given to the affected students for being late or absent from school. They will not be penalized under exceptional circumstances.

If school is in session when the EDB announces the immediate suspension of classes, the school will activate the contingency plan to ensure that our students are kept in safe conditions and proper arrangements have been made for them to return home at an appropriate time. An announcement on the closure of school or suspension of classes does not mean all students are allowed to go home immediately.
